

Jarett Andretti to Race USAC Silver Crown and Sprint Car Schedule *Window World Continues Primary Sponsorship of 2015 Events*

INDIANAPOLIS, IND. (February 18, 2015) – Andretti Autosport Short Track announced Window World® will return as a primary sponsor of driver Jarett Andretti for the 2015 season. The team will enter a Window World car in 17 United States Auto Club (USAC) Sprint Car races and also the complete Silver Crown pavement schedule.

Today's announcement continues to define Andretti's 2015 season, which will include over 50 races across the country in Sprint Car and Silver Crown competition. Window World, a longtime friend of Andretti racing, has supported Jarett throughout his young career, including last year when he captured the 2014 USAC National Sprint Car Rookie of The Year title.

"Window World is not only a partner of our team, but also great friends to our family," said Jarett. "Last year they really helped me with the opportunity to compete in the Silver Crown Series and that was great experience. I feel that I can do a lot more this year."

"Our Sprint Car program is coming along nicely," continued Andretti. "We're getting ready to head to Florida next week to start our season and Window World will again be a big part of our plans. We expect to win races this year and we're all anxious to get going. We can't do it without the support of Window World."

Window World has been involved with John and Jarett Andretti for many years and through multiple world class events, such as the Indianapolis 500, the Daytona 500 and the 24 Hours of Daytona race. They have been a partner of Jarett since the beginning of his career.

"The Andrettis are an integral member of the Window World family," said Chairman and CEO, Tammy Whitworth. "We are excited to continue this unique partnership with Jarett and look forward to providing Window World customers, their families and racing enthusiasts alike a memorable experience."

Jarett, grandson of Aldo and son of John Andretti, has championships in go-karts and the USAC Eastern Ignite Pavement Midget Series. He has also won Rookie of The Year honors at the Oswego Speedway in the supermodified class and now the USAC National Rookie of The Year title in Sprint Cars.

Andretti is a recent honors graduate at North Carolina State University.

About Window World®

Window World®, headquartered in North Wilkesboro, N.C., is America's largest replacement window and exterior remodeling company, with more than 200 locally owned and operated offices nationwide. Founded in 1995, the company sells and installs windows, siding, doors and other exterior products, with a total of over 10 million windows sold to date. For the second consecutive year, Window World ranked "Highest in Customer Satisfaction with Windows and Doors" by J.D. Power. Window World is an ENERGY STAR® partner and its window products have earned the Good Housekeeping Seal for seven consecutive years. Additionally, through its charitable foundation Window World Cares®, the Window World family provides funding for St. Jude Children's Research Hospital®, where it was named New Corporate Partner of the Year in 2010. Since its inception in 2008, the foundation has raised over \$4.85 million for St. Jude. Window World, Inc. also supports the Veterans Airlift Command, a non-profit organization that facilitates free air transportation to wounded veterans and their families. For more information about Window World, visit www.WindowWorld.com or call 1-800 NEXT WINDOW.

About Window World Powersports™:

Window World Powersports™ is the line of automotive and motor vehicles developed and maintained by Window World®. The collection was initiated in 2009 and has grown to seven vehicles: the No. 43 Indy

Cup Car, the No. 34 Window World Cares Cup Car, the Superbird, the Window World Chopper, the St. Jude Dream Bike, the Veterans Airlift Command Bike and the Stinger. The Stinger, developed by John Andretti, Andretti Autosport and Window World, is a tribute to the 1911 Marmon Wasp, the first winning Indy 500 car. The traveling vehicle showcases the signatures of former Indy 500 starters. For each signature received, Window World makes a donation to Window World Cares®, its charitable foundation. For more information on the Stinger or other Powersports vehicles, visit www.WindowWorldRacing.com.
