Rob Holland Secures Fifth Consecutive Gold Medal Flying the Window World MXS-RH Aircraft

Aerobatic Pilot Takes First Place in National Championships on the Tail of World Title

NORTH WILKESBORO, N.C. — Window World®, America's largest replacement window and exterior remodeling company, proudly shares that on Sept. 25, 2015, partner Rob Holland of Rob Holland Ultimate Airshows won his fifth U.S. National Championship gold medal less than one month after winning the World Freestyle Aerobatic Championship in France.

In August, Holland finished in first place for the third time representing team U.S.A. at the 28th World Aerobatic Championships. Held at the Châteauroux-Deols Airport, the 10-day competition hosted over 60 aerobatic pilots from 18 countries, including Austria, Belgium, France, Germany and Italy.

Holland secured his record-breaking fifth consecutive U.S. gold medal, becoming the first pilot to do so in the history of the tournament. The six-day contest was held at the North Texas Regional Airport in Denison, Texas, with more than 90 competitors.

"It is a bit surreal and truly an honor," said Holland. "I attribute much of my success this year to the help, support, and kindness of the Window World Family."

[Window World announced](#) its primary sponsorship of Rob Holland Ultimate Airshows' 2015 season earlier this year. Holland has flown in front of millions of spectators worldwide since 2001.

"We are excited for Rob and his recent accomplishments," said Todd Woods, vice president of marketing and market development for Window World. "His passion for the sport is undeniable and we are honored to be his partner."

About Rob Holland Ultimate Airshows

Rob Holland is one of the most decorated, respected, and innovative aerobatic pilots and airshow performers in the world today. Flying the Window World MXS-RH Aerobatic Aircraft by MX Aircraft, Rob Holland brings an unrivaled performance to airshows across North America, thrilling millions of spectators with his dynamic and breathtaking display. Rob is the only pilot to win five US National Aerobatic Championships in consecutive years and won the World Freestyle Aerobatic Championship an unprecedented three times. He was also honored by the International Council of Airshows (ICAS) with the prestigious Art Scholl Award for Showmanship, the highest honor any airshow pilot can receive. A 1997 graduate of Daniel Webster College with Bachelor of Science degrees in Aviation/Airway Management and Aviation Operations, Rob holds ratings as an Airline Transport Pilot (ATP), Certified Flight and Ground Instructor (CFI, CFII, IGI, AGI), as well as glider and seaplane ratings. A professional airshow and aerobatic pilot for the last 14 years, Rob has accumulated more than 11,000 hours flight time in more than 170 different types of aircraft. Rob and his wife Jessica reside in Nashua, New Hampshire.
