Window World Celebrates 1,000,000th Window Sold in 2015 *America's Largest Exterior Remodeler Achieves Sales Milestone in Record Time*

NORTH WILKESBORO, N.C. — Window World®, America's largest replacement window and exterior remodeling company, proudly announced the sale of its 1,000,000th window for 2015 in early October. Although this is the seventh consecutive year Window World reached this sales milestone, the company has never attained the mark so early in a calendar year.

"Surpassing this annual goal sooner in the year is a true result of our commitment to homeowners across the country," said Tammy Whitworth, chairman and CEO of Window World. "I am very proud of the entire Window World Family for hitting this milestone, and look forward to accomplishing this objective even earlier in 2016."

This landmark is the latest in a number of sales achievements and industry accolades that Window World secured in 2015. The organization was ranked No. 1 Replacement Contractor in *Remodeling* magazine's Top 550 for the seventh year in a row and named No. 1 Window Company in *Qualified Remodeler's* annual Top 500 for the ninth consecutive year, all due to the hard work and dedication of its more than 200 locations nationwide. In addition, thanks to the integrity of the products and services it offers, Window World proudly announced its windows earned the Good Housekeeping Seal for the eighth year running.
