

Window World Breaks Its Annual Record with Sale of One-Millionth Window This Year

America's Largest Exterior Remodeler Hits One-Millionth-Window Mark Earlier Than Ever

N. WILKESBORO, N.C. (October 5, 2018) – Window World® is excited to announce it sold its millionth window this week, surpassing this milestone earlier in the calendar year than ever before.

Window World, America's largest replacement window and exterior remodeling company, sold the millionth window for 2018 on Monday, October 1 — five days earlier than the company reached the same mark in 2017.

"We are selling more products at a faster rate than ever before, and it's a testament to our company's growth and satisfaction rate among our customers," says Window World Chairman and CEO Tammy Whitworth. "Reaching the millionth-window mark earlier in 2018 than in previous years proves customers are happy with the results. Our franchise owners are doing a great job delivering quality service, and homeowners are sharing their positive experiences with their friends and neighbors.

Window World has sold and installed more than one million residential replacement windows in each of the last nine years, and the company sold its 15-millionth window in February of this year. Window World's windows recently earned the Good Housekeeping Seal for the 11th consecutive year.

Selling one million windows earlier in the calendar year than ever before is the latest accomplishment for Window World. For the 12th consecutive year, Window World was ranked the No. 1 Window Company in the nation in [Qualified Remodeler's Top 500 list](#). The company earned the J.D. Power Award for ranking highest in the Retail segment of the [2018 Windows and Patio Doors Satisfaction Study](#). REMODELING magazine also ranked Window World the No. 1 Replacement Contractor in its [2018 REMODELING 550 list](#) for the 10th consecutive year.
